

# thank you

*Dear Pink Ribbon Society Supporters:*

*We are so proud that we've been able to raise the funds needed to keep the doors of Pink Ribbon Society open to those in our community needing mammograms, ultrasounds, wigs, compression sleeves and prepaid gift cards as a financial source.*

*This was an awesome year with the Strack & Van Til Stores Round Up Fundraiser and of course, Southlake Nissan/Kia who donated a portion of sales of each car during October to Pink Ribbon Society.*

*We were fortunate to secure grants from the Crown Point Community Foundation, The Times Media Company and John W. Anderson Foundation.*

*Special thank you to all those who contributed to our McColly Charities Matching Funds Campaign, SOS campaign, Network for Good, and Go Fund Me.*

*We appreciate the fundraisers that were held by Grit Fitness of Schererville, GFWC Women's Club of St. John and Off Square Brewing in Crown Point, making us the recipient of the funds raised.*

*And last, but never never least, many donations from our friends, family and supporters of Pink Ribbon Society.*

*We are here to continue our work...but we couldn't have done it without ALL of you.*

*Through your generosity, we are able to continue helping the men and women of Lake, Porter, Jasper and Newton Counties.*

THANK YOU.
